Weft & Selvedge Cutters & Assemblies

FALCON

Phoenix started production of Loom Cutters in 1991 & in past 25 years has mastered the art of manufacturing textile cutting blades. “FALCON” brand cutting blades are available in various materials of construction, for all types & makes of looms available in the market.

“FALCON” blades are manufactured from best available materials and by latest manufacturing technology. “FALCON” blades perform at par with original & are priced much lower than original, making it a wise viable option.

SOME UNIQUE FEATURES OF FALCON BLADES

for Dornier Rapier & Air Jet Looms

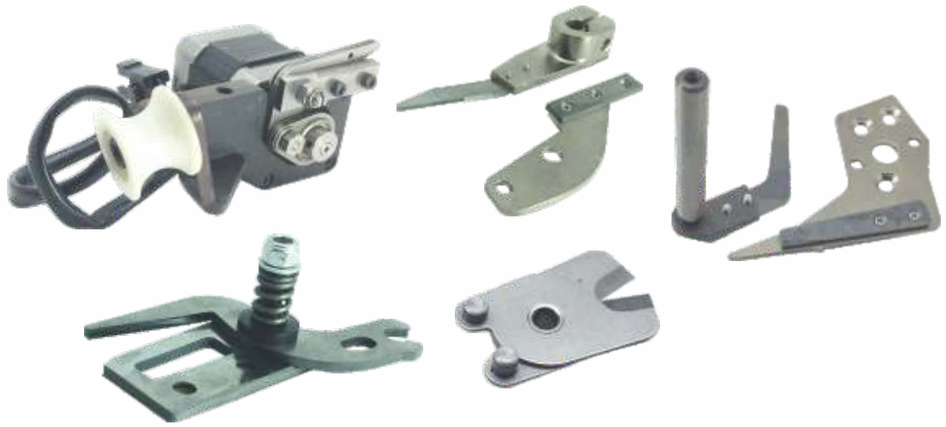

for ITEMA / Sulzer / Somet / Vamatex Rapier & Air Jet Looms

for Picanol Rapier & Air Jet Looms

Weft & Selvedge Cutter Assemblies for all type looms

Weft & Selvedge Cutter Assemblies for all type looms

for Tsudakoma / Toyota Water Jet & Air Jet Looms

Precision machined functional parts for Weaving Machines

- Cutter Assembly parts
- Replacement parts with original quality
- Manufactured from Customer samples

Blades for Other Textile Machines
Knotex / Staubli / Karl Mayer / Vega

If you do not find your required blade in our catalog, send us sample & we will manufacture it for you.
